Call for Papers

International Review of Financial Studies (IROFS) is an open access journal indexed in Google scholar. It is a leading association of scholars with specialists in Accounting, Auditing, Artificial Intelligence in Business, Finance, Economics, Entrepreneurship, Business Management, Commercial law, Social sciences, Agricultural Economics, studies on Sustainable Development Goals (SDG) et cetera. The journal joins the global community to help facilitate and promote discussions and publications of ideas among scholars from around the globe at the virtual platform where researchers and business executives get to know each other, opening opportunities for collaboration and jointly seeking solutions for business and real-world problems. The journal publishes six times a year in February, April, June, August, October, and December, respectively.

The Editorial team is exclusively inviting you to submit your contemporary and well articulated original research works at the International Review of Financial Studies (IROFS) through its editorial e-mail address: editor.irofs@journals.unizik.edu.ng

Authors' submissions are timely acknowledged and the peer review reports as well as the editorial board's decision on such manuscripts are communicated within four weeks of submission. Following the paper's acceptance and authors' satisfaction of publication requisites, a gallery proof is sent to the authors for their perusal and consequent publication in the next issue. To fast-track a manuscript's peer review and publication, authors are advised to structure their manuscript in line with IROF's guideline and format for manuscript preparation. Visit the SUBMISSION menu on <https://journals.unizik.edu.ng/irofs> for concise details.
