Call for Papers

JOGA is an open access journal indexed in google scholar and publishes six (6) issues annually, precisely in February, April, June, August, October and December. The Journal covers full length original and high quality research articles and case studies on Accounting Theory and Practice, Auditing and Investigation, Accounting Information Communication Technology, Financial Reporting, Finance and Investment, Financial Market and Institutions, Corporate Finance and Management, Cost Accounting, Managerial Accounting, Public Sector Accounting, Finance and Reporting Practices, International Finance, Taxation and other Contemporary issues in Accounting

Reviewers remain anonymous so as to maintain the high technical and quality standards required by Researchers. The journal enhances indexing retrieval power and eliminates the need for permission to reproduce and distribute content; It is therefore fully committed to the open access initiative and provides free access to all articles as soon as they are published.

The Editorial team is exclusively inviting you to submit your contemporary and well articulated original research works at the Journal of Global Accounting through its editorial e-mail address: editor.joga@journals.unizik.edu.ng

Authors' submissions are timely acknowledged and the peer review reports as well as the editorial board's decision on such manuscripts are communicated within four weeks of submission. Following the paper's acceptance and authors' satisfaction of publication requisites, a gallery proof is sent to the authors for their perusal and consequent publication in the next issue. To fast-track a manuscript's peer review and publication, authors are advised to structure their manuscript in line with JOGA's guideline and format for manuscript preparation. Visit the SUBMISSION menu on <https://journals.unizik.edu.ng/joga> for concise details.
